

Christ for Ukraine

Ray Grayham and Lynn Allison

February 2007
Volume 2, Issue 2

Greetings from Donetsk

Prayer Request:

- **Ed and Dorothy Sills** - for God's comfort and strength as they face serious health problems
- **Olga** - our sister who with diabetes and a multitude of related health problems
- **Youth** - for wisdom in making important life decisions

We are so thankful to God for the work in Ukraine and for all of you who play a wide variety of roles in making it possible. At the end of this newsletter, we **gratefully acknowledge** those who made financial gifts in 2006. As we all know, a certain amount of money is necessary in this life and we couldn't be here without the financial support of brothers and sisters in Christ. So many of you

offer up prayers on behalf of the church in Ukraine and for the work here. We appreciate you and know that God hears prayers. Finally, special thanks go out to our siblings: **Jerry and Beverly, Glen and Belinda** who pull double duty in our absence. May God bless you all.

Last blast of winter???

South Trail Shines

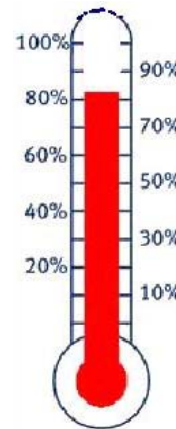

Many thanks to the ladies from the **South Trail congregation** in Sarasota, FL for the cheerful fleece vests they sent our way. We

recently had the opportunity to distribute them in a physical development center for handicapped children and in a hospital for children who have AIDS or are HIV+. The fleece blankets South Trail ladies sent earlier were a hit and the employees in these facilities were likewise excited to receive the vests. Keep up the great work!

Ask, and it shall be given...

We continue to seek funding for 2007. Thus far, we have received contributions and commitments for a little over 80% of our needs, leaving us right at **\$10,000 short of our goal**. Perhaps some of you would like to help in this way.

Often people ask, "**How can I help?**". There are always special needs that exist and we want to make you aware of them if you are looking for a way to help.

- Our sister Olga, who is a diabetic, is in need of a monthly sponsor for insulin.
- The children's home where our Vitya lives has several financial needs at present.
- Food for the Needy – a monthly program that provides grocery staples to needy seniors
